Dear Sir

Commercial Arbitration Bill 2012 – Queensland

Thank you for your letter of 5 November 2012 regarding the Commercial Arbitration Bill 2012.

ACICA has reviewed the Bill and is comfortable with the legislation as drafted, noting that it appears that the previous submissions that ACICA made and the matters raised have been taken into consideration in this present draft.

ACICA supports and encourages the early enactment of the legislation to bring Queensland in line with the other major States where the new uniform Commercial Arbitration legislation is already in force.

Yours sincerely

Michelle Sindler
