Dear Mr. Berry

I am in receipt of your letter dated 20<sup>th</sup>. March informing me that your committee is about to examine legislation re. the CMC.

Based on the information contained in your letter I would fully support the proposed changes to the legislation as I have been subjected to petty complaints both in the past and currently by disaffected members of the local authority at staff and elected positions which I believe are for petty political reasons,

I would be happy to detail the latest complaint which has been dismissed but puts the individual through a great deal of personal discomfort.

Should you wish to have your committee research officer contact me I will be pleased to cooperate.

Kind Regards.

*The Hon. Cr Tony McGrady AM*
