Subject: Brief submission re Crime and Misconduct and Other Legislation Amendment Bill 2014
Date: Wednesday, 2 April 2014 8:37:23 PM

Dear Mr Berry,

Thank you for the invitation to make a submission.

My comments are quite brief and general in nature. I have carefully read the objectives of the Bill and have followed public debate. My view is that the objectives of the Bill should be supported. The CMC has not been a success in my opinion. Its scope has been too wide with the result that it has been misused. It should focus on crime and corruption. Thus I support amendments designed to give effect to the objectives as stated in the letter to me of 20 March 2014.

Yours sincerely,

Lyle Schuntner
