Subject: Electoral and Other Legislation Amendment Bill 2015

Dear Parliament,

Why is this bill being enacted????

We need to have voters provide proof of identity before voting.

Do you really think every person out there is honest? Why relax such a simple procedure that doesn't take any time at all, but which open up the electoral process to simple untraceable fraud.

People expect some sort of basic check! I certainly do! Don't expect if you don't inspect!

Concerned for integrity at all levels.
