Subject: ELECTORAL and other LEGISLATION AMENDMENT BILL 2015
Date: Wednesday, 8 April 2015 4:44:50 PM

We, Charles & Grace Lund, request that the current proof of identity requirement be retained for voters before casting their vote at State or Local Government Elections. We feel the present system of verify oneself by producing a licence or a rates notice etc. is a safety measure to exclude those who wish to manipulate votes.

This requirement is widely used & accepted in our community & is needed to ensure the integrity of the electoral system by minimizing the possibility of voter fraud.

Charles & Grace Lund.
