Subject: Electoral and Other Legislation Amendment Bill 2015"
Date: Wednesday, 8 April 2015 5:06:55 PM

Dear Sirs/Madams,

I write to request that when considering the above Bill, that proof of identity still be required, as it was in the recent state election.

My grounds: Firstly, every reasonably possible step must be taken to reduce the risk of fraud, and secondly, people are used to having provide proof of identity, so it doesn't make sense to drop the requirement for something as important as voting.

Your faithfully,
Bruce M. Finlayson
