**Subject:** Electoral and Other Legislation Amendment Bill 2015  
**Date:** Wednesday, 8 April 2015 6:56:31 PM

---

We are writing to ask that proof of identification continue to be required before casting a vote in any election. In our society – we are expected to provide identification – often more than one form of identification. It is very reasonable to expect to do this before something as important as voting for those we wish to lead our state. We ask that in the future – to maintain the integrity of our electoral system – identification be required before voting.

Yours sincerely

Rod and Beth Oates
