The Research Director

Dear Sir/Madam,

I strongly support the ID requirement, to prevent voter fraud. Without ID, it would be easy for someone to cast a vote in the name of another person. The fraudster cannot be traced.

These days, providing ID is often routine. A driver's licence, rates notice, electricity bill or some other identifying document is needed to open a bank account, join a library, etc.

Kind regards,  
Robert Osmak
