Please retain the requirement for ID when Qlders vote.

If any changes need to be made it would be great to **return the 6% requirement of 1<sup>st</sup> preference votes – for candidates to qualify for funding – to 4%, or better reduce it to 1%!** It would have been far better, with the aim of saving the state some money, to reduce the dollar value PER vote – rather than penalising independent and minor party candidates (many who receive between 1-4% of the primary vote, and whose preference suggestions often effect the outcomes), please work towards a genuine democracy.
