*Dear Sirs/Mesdames,*

***Why is the Labor Government attempting to remove the requirement for voter's ID when voting and for what possible reason?***

***Without a reason given the motives seem highly questionable.***

***Please retain the current requirement for voters to provide proof of identity before casting their vote.***

***This requirement is widely accepted by the community, and is needed to ensure the integrity of the electoral system by minimising the possibility of voter fraud.***

***Yours faithfully,***

***Ivan Colledge***
