Dear Sir or Madam,

I strongly object to the proposal to remove the requirement that voters can be asked to provide ID prior to casting a vote. If this is removed we are on a one way course to total electoral chaos. Fraudulent voting will be unbelievably easy.

Thank you,

Pryce and Morwenna Trevor

Dear Sir or Madam,

Please retain the requirement that voters must be able to supply positive ID before casting a vote in QLD elections.  
Without this requirement our State would be on a one way course to electoral chaos, as without definite ID being required unscrupulous persons would be enable to vote multiple times.

Thank you,  
Pryce and Morwenna Trevor.
