***I am concerned about the proposal to remove the requirement for voters to provide proof of identity when casting their vote. If this is done, we will be back to the days where "Labour" advocate the old adage "vote early and vote often".***

***Please retain the current requirement for voters to provide proof of identity before casting their vote.***

***This requirement is widely accepted by the community, and is needed to ensure the integrity of the electoral system by minimising the possibility of voter fraud.***

***Yours faithfully,  
Gerald Muirhead and Denise Muirhead***
