Dear Sirs,/ Madams,

I would urge you all to continue to require that voters must provide proof of identity before being able to cast their vote. ID is required in seeking a driver`s licence. Some form of ID is require to open a bank account. I`m certain then, that when anyone fronts up vote, it should also be mandatary to provide proof of identity.

I believe this current requirement is needed, to ensure the integrity of the electoral system by minimising the possibility of voter fraud.

Yours sincerely,

( Mrs ) Judith Coral Baker
