Dear Attorney General

I was stunned to see that you are in the process of passing a bill that removes the current requirement for voters to provide proof of identity.

It is a privilege and responsibility to be part of this democratic process and I would not wish to see it become something that is open to manipulation and fraud. Especially in this year of remembering 100 years of our servicemen and women fighting for our freedom - please retain the integrity of this privilege to vote.

As a member of the community, I fully accept and appreciate the need to ensure the integrity of the electoral system by showing proof of identity.

Yours faithfully
Wendy Kefford
