To the members of the Legal Affairs and Community Safety Committee of the Queensland Parliament:

Please retain the current requirement for voters to provide proof of identity before casting their vote.

This requirement is widely accepted by the community, and is needed to ensure the integrity of the electoral system by minimising the possibility of voter fraud.

I believe that it is a regressive step to re-introduce no proof-of-identity and will only serve to make the electorate distrustful of the motives of the government.
