Subject: Electoral and Other Legislation Amendment Bill 2015
Date: Thursday, 9 April 2015 11:03:00 AM

I wish to make the following observations regarding the Voter Identity provisions of this bill.

Having worked as a Polling Officer, and spoken to a number of other persons who have worked in that capacity more recently, I am convinced that the requirement to provide proof of ID is well accepted by voters, and streamlines the voting process, saving considerable time for both voters and polling officials. I strongly urge the Queensland Government to remove any amendments to the current system in regard to proof of identity from this bill
