**Date:** Thursday, 9 April 2015 1:30:00 PM

---

Dear Sir/Madam

I express concern about the need to have an id as proof of identity before casting a vote. I believe it is necessary to minimise possible voter bias and voter fraud. We do not want unfair voting and we must maintain or ensure the integrity of the electoral system and know every vote comes from one person.

Please retain the current requirement for voters to provide proof of identity before giving their vote.

Sincerely,

Dr Ronald Slyderink
