To the Attorney General Hon. Yvette D'Ath MP,

I wish to register my objections to the aforementioned Bill, in particular I approved the introduction that voters have proof of identity when presenting to cast a vote. It is not uncommon these days to have to show proof of identity for even commercial and other transactions, why not this be a requirement for registering an important vote at election time, be it local, State or Federal elections?

The \$12,000.00 threshold should remain for political donations, as it is in keeping with federal election law and \$1,000.00 seems paltry in this day and age.

Yours faithfully,  
Stephanie McClarty
