Subject: ID should be required for people to vote
Date: Thursday, 9 April 2015 5:07:13 PM

Hi,

I'm very concerned that the Qld Government appears to have removed the requirement for people to show ID to vote for state & local elections. Showing official ID documentation is required wherever people's identity needs to be proved, shouldn't that be a requirement to vote, or do we want there to be doubt over election results?

Sincerely,
Chris Tree.
