Subject: Electoral and other legislation amendment bill 2015
Date: Thursday, 9 April 2015 5:53:45 PM

Please retain the current requirement for voters to provide proof of identity before casting their vote.

This requirement is widely accepted by the community, and is needed to ensure the integrity of the electoral system by minimising the possibility of voter fraud.

We have had occasions in the past of voter fraud and the method used in the last election must have helped to overcome this.
