Subject: My submission re the "Electoral and Other Legislation Amendment Bill 2015"
Date: Friday, 10 April 2015 6:26:35 AM

Good morning,

Recently I was made aware that one of the reasons that the "Electoral and Other Legislation Amendment Bill 2015" is going to be introduced is to remove the requirement for voters to provide ID on polling day.

Surely this is a backward step? I personally am not inconvenienced by having to provide ID on polling day, and I think it would be a great idea to keep this requirement to help reduce voter fraud.

Thank you for considering my submission.
