Subject: FW: Electoral and Other Legislation Amendment Bill 2015
Date: Friday, 10 April 2015 12:23:06 PM

Please retain the current requirement for voters to provide proof of identity before casting their vote.

People widely accepted this practice, even my elderly parent, this is needed to ensure integrity of the electoral system, this also minimises the possibility of voter fraud.

Last election we all received our identity notice before voting, it was good to know that the electoral roll was correct.

I believe if you are an honest person this does not cause any difficulty at all.

Yours faithfully

Rosemary Stay
