Dear Sir or Madam

It has come to my attention that the Govt is in the process of removing ID check for voting. I don't see why in this day and age we are reverting back to a system that is open to fraud.

Please retain the current requirement for voters to provide proof of identity before casting their vote.

This requirement is widely accepted by the community, and is needed to ensure the integrity of the electoral system by minimizing the possibility of voter fraud.

Thanks and regards
