Subject: Electoral and other Legislation Amendment Bill
Date: Friday, 10 April 2015 2:26:16 PM

To whom it may concern:

I was alarmed today to hear that the integrity of the current voting system may/will be compromised if the current requirement for voters to provide proof of identity is no longer required

Proof of identity is very necessary, and I strongly request that proof of identity be retained for all voting in the future, as a guard against fraud.

Yours sincerely,

Margaret Ruth Shakespeare
