**Date:** Friday, 10 April 2015 2:48:14 PM

---

I firmly believe that the current requirement for voters to provide proof of identity before casting their vote is a positive step in the right direction to minimize the electoral fraud prevalent in Queensland.

This requirement is widely accepted and supported by any honest member of the community, and is needed to ensure the integrity of the electoral system by minimizing the possibility of voter fraud.

Why is this Government encouraging potential Electoral fraud when the current requirements are a positive step in proving Government integrity?

Respectfully,

Noel Shacklady
