Dear Sir/Madam,

I have recently been informed that it is now no longer a requirement to provide ID when voting. Please refrain from passing this legislation as it is needed to ensure the integrity of the electoral system by reducing the amount of voter fraud. It concerns me that such an important democratic right that we have to vote is being put into jeopardy by this legislation.

I would be interested to know why you would want to remove ID being used when voting.

Thank you for your time,

Pauline Scott
