Subject: Submission to the Electoral Reform Bill
Date: Wednesday, 15 January 2014 9:23:42 PM

This proposed law will have a discriminatory effect on people who do not have a birth certificate or driver's licence. I urge the Committee to find out exactly what percentage of people who live in remote communities and who are elderly, young, disabled, homeless or move house frequently and may not be able to cast a vote if the law is introduced?
