Subject: Electoral RoleID update
Date: Wednesday, 15 January 2014 11:03:14 PM

While Electoral role ID may. Be important, it is also important to make sure that it allows for ID via means which are available to everyone. drivers licence! Medicare Card, birth certificate or whatever is available to all and sundry. Eligible voters must not be disadvantaged with what ever might be used for ID. it must be easy for them to claim aa vote when they are eligible to vote.
