Subject: Submission to electoral reform bill
Date: Thursday, 16 January 2014 10:14:58 AM

It seems to me that this is an attempt to stop marginal legitimate voters from voting them or taxing them to get id cards they may not be able to afford...like blue cards for people who want to be volunteers. Don't remove people's right to vote. There is no evidence of voting being currently being rorted. Hands off electoral rights.
