Subject: Submission to the Electoral Reform Amendment Bill
Date: Thursday, 16 January 2014 10:20:52 AM

I do not support any measure that makes it more difficult for Australians to vote in a compulsory electoral system. I do not believe cases of voter fraud—in particular, multiple votes—would be anywhere near significant enough to risk the effective disenfranchisement of well-meaning citizens who simply don't have the appropriate ID. We want everyone over 18 to vote, so let them vote.
