Subject: Submission to the Election Amendment Bill
Date: Wednesday, 22 January 2014 12:14:45 AM

Hello,

I am overseas at the moment but have lived in Qld for years. I am APPALLED to hear of the proposed changes in ID required at the polls, effectively reducing the liberty of Australian people to vote. This is an ammendment that I, and many many many (educated, rationale, tax-paying) Australians do NOT SUPPORT.

Please take appropriate action as an elected representative and can this bill.

Kind regards,

Lucy Mitchell (PhD - University of Queensland)
