---

Attorney-General Jarrod Bleijie I thought we lived in a democratic country making strict laws for voting is going to make it easier for the wealthy and criminal minded to get what they want when an election pops up. The more uneducated and poorer indigenous population will be ( I personally think) will be discriminated against.

I think if you bring in these laws a lot more Queenslanders won't vote as it will just be too hard for some...

Kind regards

Julianne
