Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No.. I experienced in many occasions in particular dealing with employment government agencies i.e. city councils that my as with very specific non English name ai am not equally treated/ served/ addressed. . Even I have two university degrees (bachelor of science in mechanical engineering and MBA) I do not enjoy the same rights and privilege as someone with anglo name.. in many occasions even my qualifications and experience is disregarded only because I am not from English background
