Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No. Queensland does not have the same protections as other states. This shows an archaic view towards its citizens.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes. Human rights need to be enshrined in law as a protection from the vagaries of government. History shows that human rights can be abused by governments.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Treatment of Indigenous Australians in every conceivable context.
