Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No. There is a long history of human rights abuse. Indigenous people, people with disability. I recall the abuse inflicted on people who wished to protest in the 70s.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes. But I do think people need some good information about this issue. I heard someone say the other day that 'human rights was over-rated'.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Yes
