Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No they are not, and after the abuse of power by Campbell Newman and his corrupt Government, it showed how venerable we are to abuse of powers by Governments and over zealous Police Forces, abuse of powers where if you dare to ride a Motorcycle, you can't go to a hotel with family members, and lose your jobs if the police decide you ride a motorcycle and know Bikies, This is disgusting we live in the twenty first century not the twelfth century.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes I do we need protection against people and Governments like the former Newman regime, which showed how unprotected we are.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

By Brother rode in a motorcycle club or gang as it's called now has not gone near them for many years, but since Newman's gang came to life he has been red flagged by police who gets harassed non stop by police he is 60 years old. yes things need change.
