No freedom of association (bikie laws)

No guaranteed free health care (not all doctors bulk bill)

No guaranteed housing for all

Yes.

All people should have the right to free speech

The right to good health including food

The right to not live in poverty

The right to a roof over one's head

The right to as much education as one desires without going into debt

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

people are drowning in debt

young people are unemployed and living in poverty

older people are unemployed and living in poverty

Kids who want to work and learn a trade or profession can't afford to do so (students not only have to go into debt but also get less than the dole)
