Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

no, there is no freedom of association, certain walks of life are discriminated against like tattooists and people with tattoos, you assumed guilty and have to prove your innocence.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

yes we need a bill of rights and governments and police need to be retrained to respect the inalienable rights of people to live their lives how they wish.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

yes, the VLAD act needs to go in it's entirety, i've friends in the tattoo industry who have committed no crime and are now out of work.
