Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

Absolutely not - they are only implied under Federal Law makers. We should have an Australia Wide Act

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes, it makes sense to know where the State and the individual stand on these matters

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

The right of a woman to have the say over her body. i.e. Having abortion de-criminalised and those rights being enshrined in law via a Human Rights Act.
