Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

protection could be stronger. Too many people of 'ethnic' backgrounds are arrested, imprisoned and seen as 'untrustworthy'. Which is nonsense.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes ... it is a no-brainer. Why wouldn't we want to see more protection for all Qlders, particularly those who are disadvantaged through no fault of their own??

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Not from my own life experience but certainly from friends and colleagues. Qld remains a place where racial discrimination is entrenched in much of the the community. This then becomes accepted by police, and perhaps legal services. Our Indigenous peoples, and other ethnic minorities are unfairly discriminated against in every aspect of their life. This has to end and a Human Rights Act could be a step forward to better understanding.
