Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No, because any government can freely legislate to override considerations of human rights.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes, I support the introduction of a Human Rights Act in Queensland. Whilst I would prefer a Constitutional protection of Human Rights, this is the best to be hoped for at the moment. It is of vital importance to the effective, just, successful operation of a democratic government in Queensland.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

The unjust and internationally illegal incarceration of refugees on Manus Island is an example of the necessity of a Human Rights Act. 'There but for the grace of God, go I.'
