Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No, I don't think that they are.

If our rights really were protected then we would be able to associate with whom ever we like and be free to say what we feel instead of being told that we must be "politically correct." I might also add that the biggest disappointment is that UNBORN CHILDREN are the ones who are failed more than any of us right now. every day every year children in the womb are being murdered. WHAT ABOUT THEIR RIGHTS?? EVERY SINGLE PERSON HAS THE RIGHT TO LIFE!!

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

I will support it yes...however I will not if it doesn't include the PROTECTION OF UNBORN CHILDREN.

Also "gay rights" are NOT human rights. "Gays" already have the same rights as everyone else. If this Human Rights Act includes "gay marriage" i will not support it either. Marriage is ONE MAN and ONE WOMAN for the purpose to create new life.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Respondent skipped this question
