Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No, I think the current act is inadequate to protect the rights of all people equally, and some vulnerable groups remain particularly unprotected eg. The LGBTIQ community.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Absolutely. The human rights of every person need to be equal and articulated clearly within legislation to offer all people equal protection.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Yes. I am a trans ally and working with LGBTIQ people. I see and hear of daily acts of discrimination towards trans people and there is little legal protection offered.
