Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No. Nor is it in the rest of Australia. People that wield power corruptly are protected by their own. Ordinary people have no protection or adequate recourse

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes. People need human rights protection against political excesses.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Excesses have been recorded almost daily. We need oversight against political and beuracratical abuses.
