Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

NO definitely NOT. I have a sister with a disability and her human rights have been crucified here in Qld.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

YES I do. Maybe then people will valued each other more and the people who get trashed will have some kind of backingwell one would hope so!!

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

My sister has been forced to live with people she doesn't want to be with, because she has a disability and no individual funding. She has been sexually molested, physically, emotionally and mentally abused by people she has had to live with and NOBODY has done a thing to help her/us to get her out of those situations. Bring on the Human Rights Laws PLEASE
