**Q5: Do you think that human rights are properly protected in Queensland? Why/why not?**

No. The rights of individuals have been slowly eroded at a State and Federal level to ensure the rights of large corporations over the best interests of an individual ie land owners v mining companies. What a disgrace.

**Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?**

Yes. It's about time as long as the rights of individuals are taken seriously into consideration.

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

the rights of large corporate mining v landowners. What a disgrace that is when a mining company can do as they wish with land that has often been worked by the same family for generations.
