**Q5: Do you think that human rights are properly protected in Queensland? Why/why not?**

No. Community and individual rights are too often ignored in Qld in favour of corporate interests.

**Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?**

Yes, because human rights clearly need to be legislated for as governments seem unable to look after humanity's medium and longterm best interests.

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

I am not familiar enough with this type of legislation to provide a useful example
