**Q5: Do you think that human rights are properly protected in Queensland? Why/why not?**

No. The vulnerable and "at risk" in the community are subject to re-victimization, blame, poor processes and services that are not holistically focusing on issues.

**Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?**

Yes. The vulnerable and at-risk need protection as they can not afford to purchase their "securities". A Human Rights Act in Queensland would give a fairer go for all.

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

Yes. The negligent handling of a criminal complaint from a minor resulting in years of damaged and personal community burdens.
