Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No we cherry pick ..what may help is an independent human rights ombudsman elected by parliament so individuals can file complaints about the actions of public officials, demand to see government reports, compel officials to give testimony and issue recommendations for the gov to act upon

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes individually we will be more protected legally from abuse of power and governments can be held accountable

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Yes .. both personally and professionally and what would have helped I believe is an independent human rights ombudsman elected by parliament so individuals can file complaints about the actions of public officials, demand to see government reports, compel officials to give testimony and issue recommendations for the gov to act upon
