Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No - without complete allowance by Qld citizens to be treated like Victorian citizens (where full rights are available) I run the risk of being treated poorly even when expressing my opinion.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes - Qlders need to be covered by all the Human Rights that are guaranteed by other States like Victoria.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

If I object to treatment of say "boat people" and express my views in a public arena to support this premise my right to be allowed to view these opinions may be compromised and "boat people" will not be represented fairly and justly.
